onies of parturition when they pro- duced it from the records and asked conspire to defeat the construction of ideas like the Messrs. Stanton. These | read as follows:

Stantons go further and assert, in the New York: County and City of the Gulf and to the ocean—they who New York: Thomas Jordan, being duly sworn, deposes and says:

This deposes and says:

This depose further declares that in all of the districts above enumerated the Cuban people, both white and black, are, incur a guilt for which restority will be the construction of such a highway, inflict upon this city and county a most fearful calamity, and county a guilt for which restority will be the construction of such a highway inflict upon this city and county a most fearful calamity, and county a guilt for which restority will be constructed. excellent pamphlet before us, that Norfolk, Charleston, Memphis, Savannah and Mobile, can justly complain of a Middle State with very few exceptions, in perfect acmonopoly which proposes to cord and union for their mutual protection against the hostile Government of Spain, and are taking up arms in defense Philadelphia and New York. Not alone the foreign commerce of of the United States, but the extended growth of the peculiar products of the South and augmentation of the numbers of people would add yest sums to the whole country's are also, with the like few exceptions, in add vast sums to the whole country's are also, with the like few exceptions, in

wealth. In truth, this pamphlet of the Messrs. Stanton gives as strong reasons and defines as clearly the peculiar advantages of a Southern Pacific and reason why the people of Cuba, although thus firmly established and associated for their mutual protection as aforesaid. road as any production of any Southciated for their mutual protection and de ern thinker or railway builder. Plainly fense, have not as yet been enabled to assume the offensive and obtain the enemnial tree control of their territory as against dertaken the task, and would popu-larize themselves as builders and scarcity has not been due to their lack of who wish to full the people while owners of the Southern highway to the resources, but mainly to the rigid con struction given to the so-called neutral ity laws of the United States and of Eng land by the military and civil officer charged with their enforcement; that is to say, it is nowise due to the vigilance of ascending to power, still prate about immediate extension of a road from activity or power of the Spanish Govern ascending to power, still prate about immediate extension of a roar nor ment or of its army and navy; in illustration of which, this deponent states that groves," and the necessity of dealing can see no special reasons, just now, the only vessel with the cargo of arms with "live issues." Why, the strength, the life and vitality of the Demo-Stanton. If they must control the not arrested by British officials, effected cratic party consists in its live, progressive; spirit. It was a live party when it acquired Louisiana, this Boston coalition of capitalists.

Deponent further says that there is an organized Cuban army, having military ces in all the parts of said Island here can be found in the cardinal princi- Stanton. Not the less do we admire a fore enumerated, and engaged in con ples of the party as laid down by the energy and pluck of these gentleprise in all three-fourths of the island; the all the men who have been looked up willing that they should control at said army, are regularly appointed by the to and regarded as the defenders and will the destinies of cities and States.

ment of the Republic of Cuba.

Deponent further says that there exists a firming established and effective Cuban civil government, which has been in operation for more than twelve month throughout all the parts of the islan-herembefore indicated, over all the citi zens of the republic, and is recognized as the rightful authority, with very lew ex-ceptions, by all Cubans, whether residing issue; the supremacy of the white sippi that no one of these should in the island or in foreign countries, and more is a live issue; opposition to central monopolize power over the highway which are still under the control or influmee of the Spanish army.

That the said civil government of the Republic of Chia consists of a President of executive chief magistrate, with func-

with these the Democratic organiza-tion can have no affinity. This is no this matter by any sectional prejudice. A Secretary of State for exterior or forily, a Secretary for the Departu e Interior. Each of these department is a definite and settled sphere of action

notable degree. law comprising a court of appeal of preme tribunal, and a court of civi "old ruts," and exploded issues, when win in practical life. Let railroad That three-fourths of the island, being that portion which is most thoroughi and effectively united for the purpose herein referred to, are divided political old parties." The Democratic party is alive and all aglow. It can never we would not have this highway constructed, but into three States, each having a Governor selected by universal suffrage. These States are subdivided into districts under die, for it is the life of the Republic—stitute part of a continuous line from living, breathing and ardent with the desire to restore the Union; to keep Chattanooga to Boston, and owned prefects and sub-prefects and sub-prefects and sub-prefects and sub-prefects and sub-prefects and sub-prefects and sub-prefects.

> Deponent further says that the Cuban overnment has emitted or issued paper oney, which is received and circulates in each of the districts hereinbefore men-tioned, and that the Congress of the Re-public has passed a comprehensive law regulating loans, and also one providing ing endeavors to poke fun at the Ap-ing notable instances of legislation by the Congress of the Republic.

THE Avalanche of yesterday morn-

between two such men. But, unfor-

Deponent further says that there is a law in force providing for universal sufpunish crime according to law; to pro-tect the foreign citizen in his rights between two such men. But, unfortunately for the conclusion of our State of Camagney, two members of Conneighbor, his article falls harmless, in gross, and some minor officials; and, further, that by the constitution of the consequence of a perversion and mis-statement of fact. The charge of Know-Nothingism against the senior editor of the Appear, has been repeatedly denied and refuted, and cannot finally, that the negroes in the larger part pressed of all nations, and a dispenser of blessings to all who submit to its laws; and all who desire that all kinds of the charge is false, and mediate command of the depone THOMAS JORDAN.
